

**To Mid Suffolk District Council  
Council Offices  
High Street  
Needham Market  
IP6 8DL**

For the attention of Philip Isbell Planning Officer

Date \_ \_ \_ \_ \_

Dear Sir,

**Objection to proposed development Stowmarket Multi-Modal Distribution Park Ltd**

**Application Number 1421/07**

I wish to register my objections to the above on the basis of

1. The major detrimental impact on the vicinity with no apparent benefits to the area
2. The constant high level of noise and disruption (lorries, trains, fork trucks, cars, etc) that a 24 hr 365 day operation would bring
3. The significant detrimental impact that the supporting transport requirement would bring to an already busy approach road and roundabout this is already used by Tommo estate traffic.
4. The pollution generated by such an operation, water disposal sewage CO2 emissions Light pollution
5. The effect on surrounding environment Gipping valley and river
6. Completely out of context with L.D.F and Core Strategy for the future of Mid Suffolk
7. The eyesore of container stacking and warehouse heights
8. Lack of evidence that alternate sites have been researched
9. The effect of the stress and anxiety and disruption to our lives
10. The fact that the only benefits will be to the applicants, who seem to have scant regard for any one living any where near this development
